EXPERIENCE | CINEMATOGRAPHY

Freelance Cinematographer 2020-Present

- Television: Served as Cinematographer for three episodes of Season 3 of *One Song*, an award-winning documentary show featuring Israel's leading music artists.
- Narrative: Collaborated on award-winning short films both in the U.S. and in Israel as cinematographer
- Commercials & Music videos: Shot campaigns for global and domestic brands such as *Toyota*, for international and local broadcast
- Documentary: Lensed community-impact projects, educational web-series, and short-form documentaries

Filmmaker | iCarbonX 2019

- Created visual content for marketing and design teams, focusing on product-centered storytelling

EXPERIENCE | COLOR GRADING

Freelance Colorist 2019-Present

- Narrative & Documentary: Graded numerous feature-length and short-form productions. As Senior Colorist, I have experience managing color pipelines alongside VFX vendors and overseeing multiple deliverables for home and theatrical viewing.
- Commercials & Music videos: Colored adverts for international brands such as *Samsung* and *Toyota* as well as Israel's biggest domestic brands. Collaborated with leading ad agencies such as *McCann* and helped bring the ideas of visionary artists to life.

Intern | OPUS Digital Lab TLV 2018

- Assisted senior colorists on high-profile projects, including the hit Netflix series *Fauda*
- Restored film scans using *Nucoda* and *Phoenix* systems
